

Inside Walls of Lucca -APARTMENT ELISA – Sleeps 4

A comfortable apartment in the historic centre of Lucca only 300 metres from the medieval tree lined walls of the city.

3rd floor: (no lift) entrance, open plan lounge and dining room. Kitchen, utility room with sink and washing machine. 1 double bedroom, 2 single bedrooms. 1 bathroom with bath. Pleasant view from the main bedroom.

Everything is in walking distance. The wall of Lucca is 4km in circumference. It has a walkway for pedestrians and cyclists which is a very popular pastime for the locals. The town is restricted to traffic and it is a very pleasant place to live.

Wonderful historic sites, large enough to have a variety of restaurants and shops but without the frenetic pace of a city like Florence.

Please note that car parking can be difficult in Lucca as it is restricted to traffic. There are some car parks inside the walls at an extra cost. There are 2 free car parks available outside the walls with bus services to and from the city.
